

\$395 for average dogs (60-90 pounds)
\$425 for extra large dogs (over 90 pounds)

A complete harness includes:

- Harness saddle with straps custom made to fit your dog
- Rigid support handle, custom made to your desired height (up to 8" tall)
- Three D-rings on the back of harness and tabs for attaching accessories
- Great Fit Guarantee: fit adjustment if necessary within 4 weeks of delivery
- Lifetime customer support

Additional Options Available:

(please request when order is placed, as harnesses are custom made to accommodate these options)

TALL handle upgrade --Heavy duty support for handles over 9" (includes upgraded support bars on saddle and heavier gage handlebar)	\$35 additional
Ergonomic Handle Grip (Z shaped grip allows for a more natural hand and arm position)	\$50 additional
Pull Rings —for handle folding mechanism (easy to use rings can be added to the spring pegs that release the handle)	\$20
Other modifications are available to suit your needs	by quote

Extras:

Knobs for handle assembly: these hold the handle onto the harness & adjust the height. Pair of black knobs (includes rubber rings)	\$6 recommended!
Set of 4 of wing nuts:	\$6
Pull Strap —to adapt the harness for pulling & forward momentum (includes adjustable strap that attaches to d-rings on the saddle)	\$25 recommended!
ID Patches & Badges: various designs and phrases available	
Banner —our special 2-sided badge that spans the handlebar:	starting at \$25
Double Patches —2-sided badges Velcro onto leash or handlebar	starting at \$16
Clip on buttons —various designs available	\$6
Harness Pouches: a nifty accessory pouch to hold essentials, like ID, money, phone, treats, medicine, cleanup bags, etc.	\$24-29

Replacement Parts: Our harnesses have been designed with interchangeable parts for the greatest flexibility. Perfect for adapting a harness to fit a new dog or user.
